SIR:

**RULE 131 DECLARATION**

This Declaration of prior invention to overcome a cited publication is presented pursuant to 37 CFR 1.131.

1. My name is Sameer Athalye. I am a physical designer at Internet Photonics, Inc.
2. Enclosed with this Declaration is a printout of a directory, which shows that:  
a file titled "fiber-tray-v2-detach.asm.3" was last modified on March 30, 2001,  
a file titled "fiber-tray-1pc.esm.22" was last modified on April 27, 2001, and  
a file titled "fiber-tray-adjustable-v2.drw.4" was last modified on April 27, 2001.  
The ".asm.3," ".esm.22," and ".drw.4" are file extensions that inserted by the  
CAD software.
3. Also enclosed with this Declaration is a printout of each of the above-mentioned  
files.
4. I retrieved this information from a back-up memory of an Internet Photonics, Inc.  
computer.

Respectfully submitted,
